

**Over 45 years of expertise united under one brand****Associated Couriers rebranding to Life Couriers**

**St. Louis, (04 February 2025)** – Over the coming months, logistics provider Associated Couriers will transition to its new identity as part of the Life Couriers brand, reflecting its commitment to evolving with client needs while upholding its core values of precision, reliability, and care. This rebranding aligns the company with Life Couriers' global brand, enhancing its service portfolio and expanding its international reach.

With over 45 years of experience, a company-owned fleet, and 23 strategically placed hubs across the United States, Associated Couriers is a leader in specialized logistics for radiopharmaceutical, medical, and life science shipments. The company manages over 400,000 monthly deliveries with an on-time performance rate of 99.6%, ensuring the reliable coordination of complex, customized logistics.

**A Shared Vision for the Future**

“We’re excited about this next chapter for Associated Couriers,” says Matt Silverberg, CCO of Life Couriers. “Joining the Life Couriers brand allows us to focus on what truly matters: delivering exceptional logistics solutions that benefit the patients we serve. Operating under one global name will consolidate our expertise, networks, and resources, further strengthening our performance and service offerings.”

Stefan Glebke, CEO of Life Couriers, adds, “Associated Couriers, a renowned leader in radiopharmaceutical logistics, brings decades of experience and operational excellence to the Life Couriers family. This partnership strengthens our position as a leader in radiopharma and underscores our shared vision for the future of healthcare logistics. I’m excited to see the impact of our combined strengths on the industry.”

Associated Couriers' current operations or service standards will continue as known. Customers can expect the same seamless service, bolstered by Life Couriers' innovative solutions and global infrastructure.
