

Delivery Service Expertise Under a New Name:

On Time Delivery to Become Life Couriers

Munich, 30 September 2024 – US logistics provider On Time Delivery has announced that it will be rebranded under the name Life Couriers. The company, founded in 1986 and based in Minneapolis (USA), offers customized on-demand delivery solutions in the Minneapolis and St. Paul area. On Time Delivery has been part of the Life Couriers group since 2023. The rebranding is the next step in the further development of the global Life Couriers brand.

As one of the world's leading life science and healthcare logistics providers, Life Couriers is reinforcing its on-demand services in the Twin Cities area with the experienced team from On Time Delivery. By further integrating On Time Delivery with this rebrand, Life Couriers enhance and expand their comprehensive logistics services.

Tim Holtan, President of On Time Delivery, states: "On Time Delivery and Life Couriers have worked together for a long time to deliver important goods quickly and securely. By uniting under a single brand, we can now better harness our combined expertise and resources to improve and expand our offerings."

The services and team at On Time Delivery will remain unchanged under the new Life Couriers name. In addition, the integration into the global Life Couriers network has already brought new service opportunities, particularly in the Direct-to-Patient sector of healthcare logistics.

Stefan Glebke, CEO of Life Couriers, states: "I am thrilled that after our great cooperation so far, we can now officially welcome On Time Delivery as part of the Life Couriers brand family. With our combined expertise, we can act even more efficiently and innovatively in the future. This strengthens our ability to innovate and positions us for a successful future, which I look forward to with great anticipation."
